

The Rarest Harbour Lights

To appear on these two lists, the products must have been able to be purchased either from Harbour Lights or from a Harbour Lights dealer. That rule eliminates APs, paint samples, and products which did not reach production. Listed in order from the least produced and up. HL692 Erie Land Light PA is not on the list because it was only for sale by the Collector Forums.

Rank	Product	Name	Quantity	Note	Guide
1	HL101	Admiralty Head WA (AdmiralPy)	2	Flag Error with "P"	49, 421
