Join us for the 2011 Annual Lighthouse Gala on Saturday, April 16, 2011...an evening celebration, beginning at 6 p.m. in the Sheraton Portsmouth Harborside Hotel's Grand Ballroom, featuring:

**A Lively Performance by Gary Sredzienski, "Creekman" and accordionist extraordinaire...** Gary Sredzienski will entertain Lighthouse Gala attendees with his incredibly versatile accordion playing and tales of his exploits as the amazing "Creekman," swimming 12 months of the year in local waters. Gary will have on hand some of the many artifacts, some over 200 years old, that he has recovered while swimming in Portsmouth-area waterways. He will also speak about his experience with the Swim for the Lights in February, helping to raise awareness and funds for lighthouse preservation.

**"Market Square" Buffet Dinner** featuring Boneless Short Ribs of Beef & Baked Haddock Asiago

**Silent Auction** featuring nautical themed prints, collectibles and more!

**Special Photo Presentation of American Lighthouse Foundation's 2010 Year-in-Review**

**Presentation of the ALF Len Hadley Volunteerism Awards & the 2011 Keeper of the Light Award**

**Attendee Only Climbing Tour of Portsmouth Harbor Lighthouse** — Special opportunity to visit & climb this ALF lighthouse Saturday afternoon before the dinner. While there, you will also enjoy a great view of another ALF light, Whaleback Lighthouse.
